DEVON

Timeless Classics

Putting warmth at the heart of the home

ARADA

DEVON

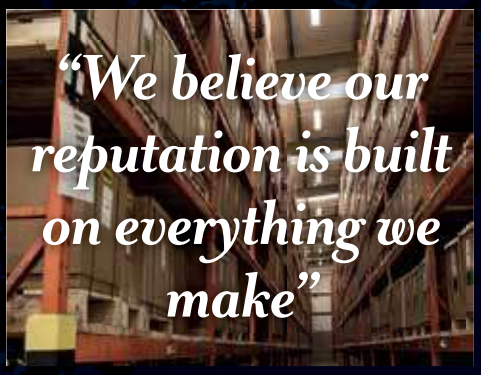

From the tiny acorn of a small engineering firm founded in 1966 the core ideals of designing and manufacturing affordable, robust and pleasurable products for the British homeowner are still at the heart of Arada.

Transformed into a mighty oak at our 54,000 sq.ft manufacturing base in Axminster, we design, manufacture and globally distribute not just wood and multifuel stoves, but also electric fires, gas stoves and outdoor heating appliances.

MADE IN BRITAIN

An Arada stove is so much more than just a black steel box, each one starts life in the hands of our craftsmen. Raw steel is crafted with precision. Exacting joins are welded at 1500°C. Sparks fly as surfaces are perfected.

Our stoves bear the hallmarks of being designed, engineered and built in Britain by people who take pride in a job well done and that believe that ownership of an Arada stove should be a pleasure.

Our stoves come with either lifetime or extra-long life stove body guarantees. We won't ask you to register first either, our guarantees come as standard*.

10 YEAR GUARANTEE

LIFETIME GUARANTEE

*Stove must has been purchased from an authorised retailer and installed following regulations governing the fitting of wood burning and solid fuel appliances in the country of installation.

Modern & Traditional Stove Styles

Our collection of stoves are designed to suit the look and style of different homes, whether it's to upgrade a classic fireplace or as a statement in a contemporary open-plan living space.

Accessories

We also design and manufacture extras such as log stores, stands, pedestals, handles and more that let you create the perfect focal point for your room and nail the practicalities of owning a stove.

Outdoor Living

We're not just about stoves! We've brought our heating design and expertise to the great outdoors with a range of attractive garden fire pits, chimeneas, and more.

M Series 5

M Series 5 with Cast Iron door shown in Pine colourway and on optional colour-matched stand

The New M Series 5 is a 4.9kW wood burning stove based on our proven Ecodesign Ready technologies for greater fuel efficiency and lower emissions than an open fire or a 10 year old stove.

The combination of slim door bezels with one of our largest glass panes to date creates a delightful flame picture. Choose our cast iron door with its bevelled edge and 'picture frame' styling; or our steel door for a sleeker contemporary look for a finishing touch.

Features

- Surpasses Ecodesign standards for clean burning on Wood Fuel
- Lifetime guarantee
- Approved for use in Smoke Control Areas
- Stainless steel ash pan and throat plate
- Top or rear 127mm (5") flue outlet
- Click-close door latch
- Direct air compatible
- Optional rear heat shield for closer positioning to combustibles
- Three door styles, three optional stand types
- Preheated airwash system for clean glass
- Height adjusting legs as standard
- Non-smoker paint in multiple colours

Dimensions

Width (across footprint)	468 mm
Height	516.5 mm
Depth (inc. handle)	363 mm
Ideal log length	300 mm

M Series 5 with cast iron door

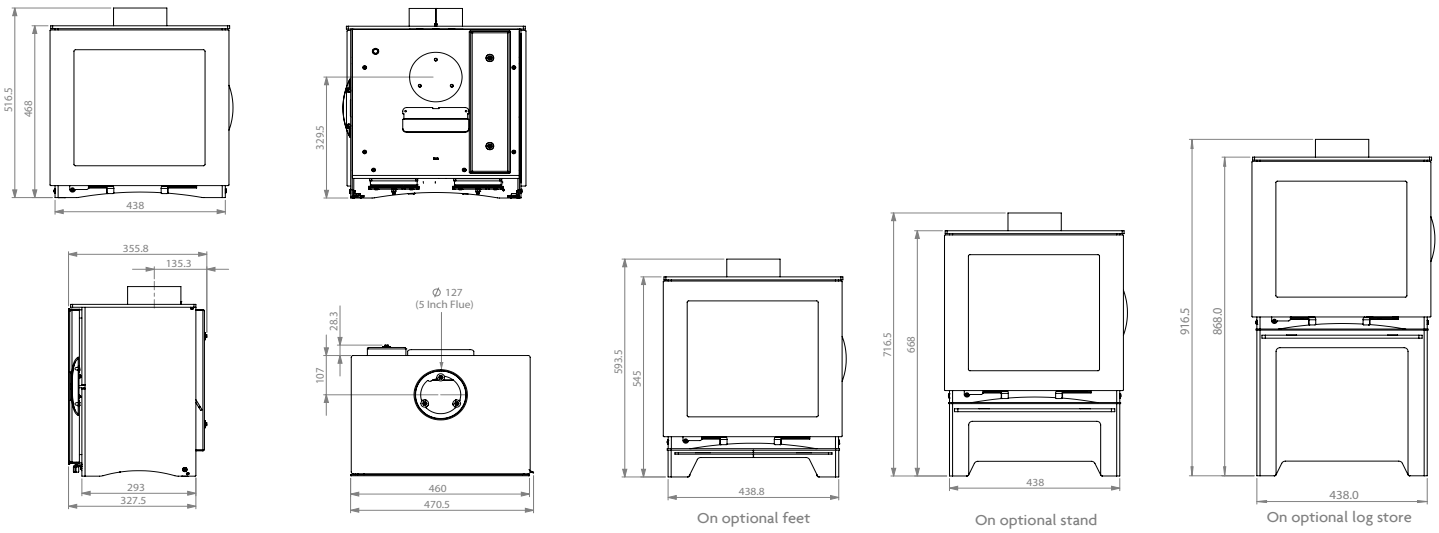

On optional mid-height stand

Optional Extras: Matt Black Handle /Rear heat shield / Bolt-on feet / Stand / Log store / Direct air vent

Farringdon Catalyst Eco

Farringdon Catalyst Eco Eco shown in Slate grey

The Farringdon range epitomises the finest of British design with innovative technology, exceptional heat control and a generously-proportioned viewing glass.
Farringdon stoves are Ecodesign Ready so they are cleaner burning and have fantastic fuel efficiency. This is a stylish option for heating any energy-conscious home.

Dimensions

Width	615 mm
Height	696 mm
Depth	510 mm
Ideal log length	500 mm

Features

- Lifetime guarantee
- Better than Ecodesign standards for burning wood
- Available in seven colours
- Approved for use in Smoke Control Areas
- Stainless steel ash pan and throat plate
- 6 inch top flue
- Direct air compatible
- Preheated airwash system for clean glass
- Externally controlled riddling grate
- Rear heat shield for closer positioning to combustibles
- Height adjusting legs as standard
- Wooden handle supplied as standard

Farringdon Catalyst Eco

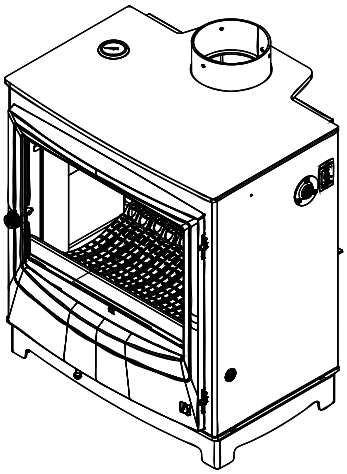

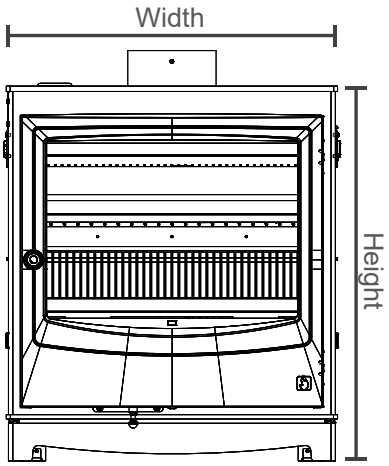

Wooden handle

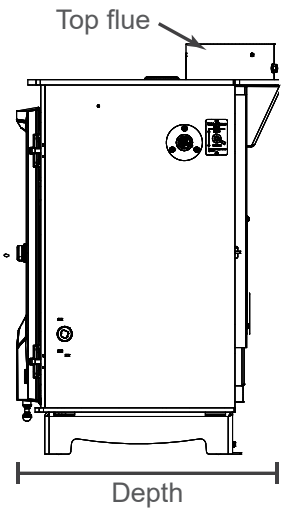

Optional Extras: Stand / Log store / Pedestal / Floor fixing kit / Stainless steel handle

Farringdon Catalyst Eco

Dimensions

Width (across canopy)	615 mm
Height (on standard fitted feet)	696 mm
Depth (including handle boss)	510 mm
Height of stand	130 mm
Height of pedestal	293 mm
Height of log store	330 mm
Total height on stand	826 mm
Total height on pedestal	989 mm
Total height on log store	1026 mm
Flue diameter	152 mm
Depth from back to centre of top flue	114 mm
Ideal log length	500 mm

Features

Stove body type	Freestanding
Ecodesign Ready	Yes
Suitable for smoke control areas	Yes
Suitable for direct air connection	Yes
Suitable for non-combustible 12mm hearth	Yes
Weight gross (packed kg)	144 Kg
Weight nett (unpacked kg)	138 Kg

Minimum distance to combustibles

	Single Walled Flue
Rear	400 mm
Side	450 mm
Max hearth temp	42.5 °C

Performance

	Wood Fuel
Energy Efficiency Class	A+
Nett Efficiency	82.4 %
Nominal Output	11.4 Kw
Output Range	10.9 - 11.8 kW
Mean Co Emission (@13% O2)	0.07 %
Mean CO2 Emission	12.73 %
DIN+ particulate	24 Nmg/m3
Mean NOx Emission (@13% O2)	92 Nmg/m3
Mean OGC Emission (@13% O2)	111 Nmg/m3
Flue Gas Mass Flow	7.5 g/s
Flue Gas Temperature	300 °C

Direct air spigot location

(when viewing the rear side of the stove)

Distance from right hand side to centre	208 mm
Distance from floor to centre	151 mm

We recommend this appliance is installed with clearance of 100mm to non-combustible materials

Holborn 5

Holborn 5

Inspired by traditional stove design, the Holborn wears its influences with pride. Its protruding ash lip and flared feet grace the stove with the hallmarks of traditional stove design.

Internally this stove was designed to meet today's demands for low emissions and greater fuel efficiency, this 4.9 kW output model is an extremely efficient Ecodesign Ready stove at heart.

Features

- Surpasses Ecodesign standards for burning wood log fuel
- Approved for use in Smoke Control Areas
- Direct air compatible
- Lifetime guarantee
- Stainless steel ash pan and throat plate
- Top or rear 127mm flue outlet
- Non-smoker paint, available in seven colours
- Externally controlled riddling grate
- Optional rear heat shield for siting stove closer to non-combustible material
- Height adjusting feet as standard

Dimensions

Width	485 mm
Height	650 mm
Depth	411 mm
Ideal log length	300 mm

Holborn 5

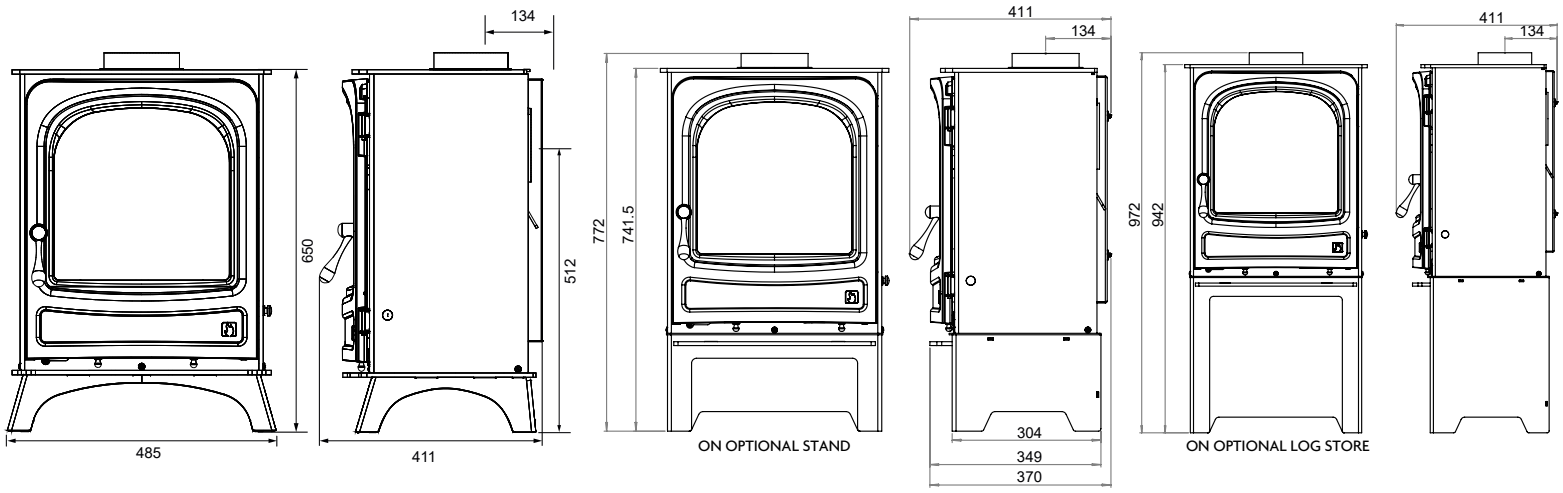

Alternative colour options available

Optional Extras: Multi fuel kit / Rear heat shield / Direct air adaptor

DEVON

COLOUR OPTIONS

Metallics & The Bold Edit

Robust and easy to clean

Our paints are resistant to very high temperatures and easy to keep clean.

Non-smoker paint

There's no curing time with any of our paints and no unpleasant curing odour either.

Also available in Black

If colour is not for you, our stoves will always be available in Midnight Black as standard.

METALLICS

Express yourself with colour

Seize the opportunity to show your individuality with our four metallic shades, guaranteed to make an impactful statement in your living space.

MIST

CHESTNUT

ATLANTIC

SPICE

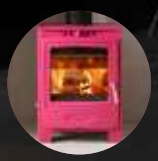

THE BOLD EDIT

A unique new look for stoves

THE BOLD EDIT is a palette of four exciting shades that are exclusive to Arada.

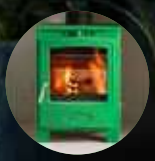

Striking and happiness inducing, with a major side of dopamine, these shades will no doubt inspire and inject fun for those creating an interior with serious punch.

FLAMINGO

MIAMI

PEAPOD

RAINCOAT

* THE BOLD EDIT colours are not recommended for stoves over 7kW, and not suitable for painting single-walled flues
