THE PULSE RANGE

Contemporary and modern in their design, the Pulse range of inset electric fires are the perfect focal point for any home, especially those without a chimney or operational fireplace. Available in two different sizes, standard and widescreen, both fires fit into the standard 16" x 22" opening allowing a hassle-free installation, while the realistic flame and 1500W heater maintain the luxury and warmth of a real working fire.

KEY FEATURES

- Fits standard 16" x 22" fireplace opening.
- Two standard heating functions; 750W or1500W
- Temperature setting available with front heater
- Five levels of flame brightness
- Realistic LED Flame Effect available in 3 (Orange, Blue and Mixed Orange & Blue)
- Electronic 7-day timer
- Remote Control Operated
- High quality decorative fuel bed (crystals, charred wood pieces, ceramic logs)
- High end tempered black glass panel
- Equipped with overheat production safety device
- NEW optional metal finishing trim (standard glass trim included)
