Materials

Choosing unique high-quality materials to enhance our surround designs, from warm ivory cream to cool polar white you will be able to find the marble that compliments your own style.

Naples White *(NEW)*

A stunning white honed marble with a delicate grey vein running through the stone, adding a touch of elegance to your home.

Polar White

One of the most popular choices amongst our customers, the neutral cool tone of the polar white surround offers style and sophistication.

Limestone

Durable, beautiful & timeless. Forged over millions of years, this premium natural stone will stand the test of time in your home.

Luna Grey

A contemporary grey marble that will create an eyecatching focal point for your home in a honed or polished finish.

Ivory Cream

A staple favourite in homes with a high-quality finish and longevity of the warm neutral tones.

Surrounds

All surrounds are available in a bespoke range of styles to ensure you will find the perfect GMS fireplace for your home.

Contemporary

Offering clean lines and subtle architectural details, our contemporary surrounds draw the eye creating a unique focal point in your living space.

Traditional

Our traditional selection of fireplaces have classic features; oversized mantles, decorative corbels and intricate pillar detailing, elevating the elegance of your home.

Bespoke

GMS offers a bespoke service ensuring we can offer the material finish and size required for your home. Choose your desired design, material and size and speak with one of our specialist retailers, allowing for a quotation to be provided.
